

The road fee rates are as follows:

Road fee rate for domestic groupage shipment	8,29%
Road fee rate for international groupage shipment	3,36%

We inform that from the 1st of February 2022, new toll rates for the use of toll road sections in Poland will apply.

Due to the new toll rates for the use of toll road sections in Poland, PEKAES is adjusting the toll amount from the 1st of February 2022.

We kindly inform that in case of increase of payment rate or increase in number of parts of the roads included in this payment by the law or opening of new parts of the franchised roads on which payment will be implemented, PEKAES Sp.z o.o. reserves right to further changes in supplementary payment. In case of further changes we will inform with the adequate anticipation.
